

Product Feature:

	Specification For Approval
Rated Voltage	DC3.7V
Rated Current	< 1.5A
Air Flow Without Load	3 LPM
Pressure	120kPA
Negative Pressure	< - 450mmHg
Life Test	>95,000 cycles (in 500cc tank, work for 2 secs and stop for 1 sec as a cycle)
Apply	AIR
Environment	5°C ~55°C
Product net weight	60g
Noise Level	<60dB(30cm away from noise meter)
General	Mainly used for breast pump, medical care. Health and household appliances, and other products
